25
YEARS
EXCELLENCE

ABOUT US

Tanishq Life Care is a pioneer in India for manufacturing many unique medications & formulations .

All our products are manufactured to meet high quality standards, proven safety, efficacy and industry standards. Millions of patients in India and across the globe regularly use our products, Leading to healthy & happy lives over two decades.

At Tanishq LifeCare, we have unique product range that beats out the competition and give a wider choice to select various new molecules. Our commitment and dedication towards achieving the HIGHEST QUALITY STANDARDS has won us the trust across medical fraternity.

Tanishq Life Care has state-of-the-art manufacturing infrastructure to meet global requirements certified with WHO-GMP, ISO 9001:2015 quality systems towards high product international quality assurance & environment management system. The company has always upheld the highest standards of corporate governance and business ethics with consistent growth rate.

OUR EXPERTISE

- Patient-Centric Approach
- Regulatory Expertise
- Customer and Partner Relationships
- Industry Expertise
- Product Sourcing and Procurement

OUR CORE PRINCIPLES

Quality Assurance
"we believe Quality is not an act, It is a Habit"
Our systemic approach and efforts towards continuous improvement in order to achieve set objectives.

Innovation and Research
We are driven by a culture of continuous innovation and research.

Multinational Compliance
Detail your proficiency in navigating diverse regulatory frameworks across multiple countries, ensuring adherence to both local and international pharmaceutical regulations.

Ethical Excellence
As a Healthcare company with high ethical standards, we take responsibility for our actions. Our code of conduct assists us in living up to this responsibility.

Customs & Tariff Mastery
Highlight your expertise in handling customs procedures, tariffs, and international trade agreements to facilitate smooth cross-border transactions.

NUTRACEUTICAL PRODUCTS

Nutraceutical products bridge the gap between nutrition and pharmaceuticals, offering a powerful combination of health benefits. Unlike basic food or supplements, nutraceuticals provide medical or health advantages, including the prevention, management, or even treatment of chronic and lifestyle-related conditions.

They are derived from natural sources—such as herbs, fruits, vegetables, and marine ingredients—and are scientifically formulated to improve overall well-being, enhance immunity, support organ function, and contribute to a better quality of life.

Our Strength

- ▶ Versatile Generic FDFs ranging with more than 400+ Products
- ▶ Products available in more than 26 Therapies
- ▶ 9+ Dosage forms available
- ▶ 250+ Ready Dossiers
- ▶ Global Dossier Integration with in-house Regulatory Team
- ▶ Dedicated graphic design expertise for packaging & promotional materials

WELLNESS FOR EVERY STAGE OF LIFE

Menozest

Nutritional Information (approximate Values)			
Each Film Coated Tablet contains:			
Soy Isoflavones	100 mg	Elemental Copper	1 mcg
Elemental Magnesium	100 mg	Vitamin A	600 mcg
Vitamin C	40 mg	Elemental Manganese	3 mcg
Nicotinamide	14 mg	Elemental Iodine	150 mcg
Elemental Iron	12 mg	Folic Acid	100 mcg
Vitamin E	10 mg	Elemental Chromium	50 mcg
Elemental Zinc	10 mg	Elemental Selenium	40 mcg
Calcium Pantothenate	5 mg	Biotin	30 mcg
Vitamin B6	2 mg	Vitamin	10 mcg
Vitamin B2	1.3 mg	Vitamin	1 mcg
Vitamin B1	1.1 mg	Black Cohosh	50 MCG

KEY INGREDIENT

Soy isoflavones

- Soy isoflavones offers potential clinical benefits and its usage is associated with relieving menopausal symptoms.
- Also, soy isoflavones also helps promote the cardiovascular, bone and cognitive health benefits in menopausal women

Other essential vitamins and minerals

- Vitamin D, Magnesium, Manganese, Zinc, Copper and Boron are important for bone health and helps in the prevention of osteoporosis.
- Vitamin B12, folic acid, and Vitamin B6 helps development of neurotransmitters and promotes cognition and mood

Menozest is a special nutritional supplement developed for women who are looking for a total nutritional care to be taken during and after the menopause. Menozest provides a unique formula which helps reduce menopause related symptoms and promote active and healthy life after menopause

BENEFITS

- Helps in the prevention of vasomotor symptoms of perimenopause, menopause and post-menopausal
- Helps in the improvement of lipid profile
- Helps in reducing the risk of cardiovascular disorders
- Protection against menopausal osteoporosis
- Helps in reducing the risk of breast cancer

WOMEN CARE

Packing: 3x10 Softgel Capsule

**REFRESH YOUR DAY,
THE NATURAL WAY**

Caprinett

Cranberry extract	300 mg
providing proanthocyanidine	30 mg
D-Mannose	50 mg
Nettle Leaf Extract	50 mg
providing steroidal saponins	10 mg

KEY INGREDIENT

Cranberry Extract

- Helps inhibit the growth of bacteria in the urinary tract
- Helps to promote antibacterial activities and limits bacterial colony formation
- Cranberry extract reduces the rate of UTI by 50% after surgeries and even also during the postoperative period involving urinary catheters

D-Mannose

- Helps reduce the risk of recurrent UTI

Nettle Leaf Extract

- Most potent antibacterial and antioxidant, which helps to inhibit bacterial colonization in urinary tract naturally and helps flushing bacteria in urine

BENEFITS

- Helps reduce and prevent recurrent urinary tract infections

Urinary tract infections (UTIs) are the most common form of bacterial infections in humans; it is reported that UTIs are more prevalent in women.

Caprinatt is a comprehensive nutritional supplement which contains cranberry extract, D-mannose and nettle leaf extract as key ingredients.

Caprinatts reduce the risk of UTIs and reduces extremely beneficial for a faster and more efficient resolution of UTIs.

Packing: 3x10 Capsule

FEED YOUR BODY,
SHINE FROM WITHIN

BORANUTRI

Nutritional Information(approximate Values)			
Each Film Coated Tablet contains:			
Inositol	50 mg	Folic Acid	400 mcg
N-Acetyl Cysteine	50 mg	Vitamin B12	6 mcg
Betacarotene (Natural source)	B 3 mg	Biotin	150 mcg
Co enzyme Q 10	20 mg	Pantothenic Acid	6 mg
Vitamin D (as D3 800 IU)	20 mcg	Magnesium	60 mg
Vitamin E	4 mg	Iron	14 mg
Vitamin K	70 mcg	Zinc	15 mg
Vitamin C	90 mg	Copper	1000 mcg
Thiamine (Vitamin B1)	8 mg	Selenium	30 mcg
Riboflavin (Vitamin B2)	5 mg	Iodine	150 mcg
Niacin (Vitamin B3)	20 mg	Natural Mixed Carotenoids	2 mg
Vitamin B6	10 mg		

KEY INGREDIENT

Multiple Micronutrient Supplementation (MMS) reduces the risk of maternal & fetal/neonatal outcomes

- In accordance with UNICEF & WHO recommended formula-for pregnancy & lactation
- Scientifically developed formula that contains 15 essential vitamins & minerals that provide nourishment for both mother & fetus
- Helps reduce the risk of pregnancy related complication like preterm labor, IUGR & post-partum haemorrhage
- Minimizes the risk of post-partum complications like excessive bleeding, post-partum depression and/or baby blues, sleep deprivation
- Micronutrients & vitamins supplementation decreases the risk of infertility
- Intake of micronutrients & vitamins during pre-pregnancy decreases the pregnancy complications & birth outcomes
- Minimizes the risk of macrocytic anaemia, neurologic dysfunction, small for gestational age and low birth weight

Boranutri is a comprehensive formula to promote essential support before, during and after pregnancy. During pregnancy, women undergo several physiological changes to achieve normal growth and health of the fetus. Boranutri helps to provide daily nutrition of important nutrients during pregnancy.

Specially formulated with nutrients - including zinc which contributes to normal female reproductive health. Boranutri - UNICEF & WHO recommended formula for Pregnancy & Lactation

BENEFITS

- For healthy pregnancy and lactation
- Helps minimize the risk of pregnancy related complications
- Small for gestational age
- Low birth weight
- Preterm birth
- Stillbirth
- Minimize the neonatal mortality

Packing: 3x10 Tablets

MOVE FREELY, LIVE FULLY

Cartivive

Glucosamine Potassium
Chloride sulphate 1500 mg

KEY INGREDIENT

Glucosamine sulphate

- Glucosamine, chondroitin, ginger extract with antioxidants formula in Glucostar may help maintain healthy joints, muscles and bones.
- Glucosamine lays down the foundation for the everyday rebuilding of the connective tissues in the joints, including tendons, ligaments and cartilage.
- Chondroitin is present in cartilage and connective tissues and is involved in the attraction of fluid that lubricates the joints.
- Ginger supports the health of sore joint and has a pain relieving soothing action on joint and muscles.
- Selenium, zinc, manganese, vitamin D, vitamin E along with ginger is integral constituents of the antioxidant formula that are essential for building and maintaining strong healthy bones.

Bone Health

Joint health is important for long term wellbeing. Cartivive has been formulated to provide nutrition for joints ideal for those with an active life, in sports or in later life.

Cartivive contains natural supplements such as crystalline glucosamine sulphate, ginger extract, chondroitin and other essential vitamins and minerals, which helps promote joint health and prevent cartilage degeneration

BENEFITS

- Helps to provide adequate pain relief and improve mobility
- Helps to provide pain reduction comparable to non-steroidal anti-inflammatory drugs (NSAIDs)
- Helps to stimulate cartilage synthesis and delays cartilage degeneration
- Helps to minimize inflammation and stiffness of the joints
- Helps to delay the progression and symptoms of the disease

Packing: 3x10 Tablets

**STRONG JOINTS,
LASTING VITALITY**

Cartivive Forte

Glucosamine Sulphate	250mg
Chondroitin Sulphate	100mg
Methyl Sulphonyl Methane	100mg
Collagen Peptides Type-I	50mg
Collagen Peptides Type-II	50mg
L-Arginine	100mg
Rosehip Extract	100mg
Boswellia Serrate	100mg
Curcumin	50mg
Piperine	5mg
Sodium Hyaluronic Acid	50mg
Ascorbic Acid - Coated	80mg
Vitamin E 50%	20mg
Ferrous Fumarate	5mg
Zinc Sulphate	5mg
Manganese Sulphate	2mg
Copper Sulphate	500mcg
Selenium Selenite	60mcg

KEY INGREDIENT

Both Glucosamine and Chondroitin exhibits protective action on joints

- Helps stimulate the anabolic process of the cartilage metabolism since it forms the basic components of cartilage and synovial fluid
- Prevents cartilage degeneration due to their anti-inflammatory action, which helps to slow the progression of cartilage destruction, and may help to regenerate the joint structure, leading to reduced pain and increased joint mobility.

A comprehensive formula containing the natural ingredients: Glucosamine, Chondroitin and Methyl sulfonyl methane along with essential vitamins and minerals used to support joint health.

Glucosamine available in Cartigen forte is in the preferred crystalline form, which offers good absorbability and also longer duration of action.

Methyl sulphonyl methane

- Methyl sulfonyl methane is a naturally occurring sulphur compound and dietary derivative of dimethyl sulfoxide, which has analgesic properties and contributes sulphur for the sulphation of glycosaminoglycans (GAGs).

BENEFITS

- Helps reduce pain, disease progression and improve joint mobility in osteoarthritis
- Helps stimulate cartilage synthesis & delay cartilage degeneration
- Helps stimulate cartilage repair & prevent cartilage breakdown
- Helps to reduce inflammation and swelling

Packing: 3x10 Tablets

JOINT HEALTH MADE SIMPLE

Cartivie-R

Glucosamine sulphate	750 mg
Rose hip Extract	400 mg

KEY INGREDIENT

Glucosamine sulphate

Helps reduce the symptoms of osteoarthritis viz joint pain, swelling and joint immobility.

Rose hip Extract

- Helps reduce joint pain, inflammation, stiffness of the joints and play an important role in joint care and provide relief from joint pain.

BENEFITS

- Rose hip with natural anti-inflammatory for joint pain and stiffness
- Improves mobility
- Better bioavailability (crystalline form of Glucosamine sulphate)
- Optimum recommended dose of glucosamine/day
- Helps to regenerate the joint structure
- Prevents osteoarthritis (OA) disease progression
- Significantly reduces the cartilage volume loss

Cartivie-R is a comprehensive joint support nutritional supplement.

Cartivie-R contains glucosamine sulphate and rose hip extract, which helps reduce the symptoms of osteoarthritis viz joint pain, swelling and joint immobility.

Glucosamine, available in Cartigen Rose is in the preferred crystalline form, which offers good absorbability and also longer duration of action.

Packing: 3x10 Tablets

A PERFECT BLEND FOR BONE HEALTH AND VITALITY

Natiscal K2

Each Film Coated Tablet contains:

Calcium Citrate	1100 mg
Vitamin D3	400 IU
Vitamin K2	745 mcg
Zinc Sulphate	16 mg
Magnesium Oxide	100 mg

KEY INGREDIENT

Type of Vitamin K2

- Vitamin K2 significantly improves lumbar bone mineral density
- Vitamin K2 treatment effectively prevents the occurrence of new fractures
- Lifetime supplementation with Vitamin K, Vitamin D3, and Calcium is likely to reduce fractures
- Prevention of coronary heart diseases

1000 mg Calcium Citrate & Vitamin D3 200 IU

- Improves bone health in elderly patients
- Reduces the risk of falls by 49% compared with Calcium alone
- Reduces the risk of Osteoporosis

Vitamin D3 + Vitamin K2

- Improved bone & cardiac health

Natiscal K2 is a unique combination of Calcium, Vitamin D3, and Vitamin K2 along with Magnesium and Zinc.

Natiscal K2 helps in adequate utilization of Calcium in bone and heart.

Inadequate levels of Calcium can cause decreased bone mineral density, which can cause an increase in the risk of bone fractures. Supplemental Calcium helps promote bone mineral density and prevent osteoporosis.

But, an elevated consumption of Calcium may raise the risk for heart disease and cause Calcium deposits in blood-vessel walls and soft tissues. Vitamin K2 is associated with the inhibition of arterial calcification and arterial stiffening.

BENEFITS

- Supports in osteoporosis patients with Cardiovascular disease risk
- Helps in senile osteoporosis
- Helps in osteoporotic fractures

Packing: 3x10 Tablets

HIGH-POTENCY SUPPORT FOR YOUR BONES AND IMMUNITY.

Natiscal

1000/4000

Each Film Coated Tablet contains:

Vitamin D3	1000 IU
------------	---------

Each Film Coated Tablet contains:

Vitamin D3	4000 IU
------------	---------

KEY INGREDIENT

Vitamin D3 which plays multiple roles in the body, which helps:

- Normal function of the immune system
- Maintenance of normal bones and teeth
- Normal absorption and utilisation of calcium and phosphorus
- Normal muscle function
- Normal blood calcium levels
- The process of cell division

Having sufficient vitamin D3 is essential for various reasons, which includes maintaining healthy bones and teeth; it may also protect against a range of conditions such as cancer, type 1 diabetes and multiple sclerosis.

Natiscal 1000/4000 contains Vitamin D3, also known as the sunshine Vitamin which is produced by the body as a response to sun exposure; it can also be consumed in food or supplements.

Natiscal 1000/4000 provides optimum strength vitamin D3, a nutrient that plays a truly remarkable role in the body and is important for many areas of health.

It not only contributes to the maintenance of normal bones and teeth but is also known for its role in supporting normal function of the immune system, normal cell division and normal muscle function

BENEFITS

- Helps in preventing Vitamin D deficiency
- Helps reduce falls and fractures
- Enhance Growth and development
- Enhance strong immunity
- Support dental health and nervous system
- For prophylaxis of rickets (impaired bone hardening during the growth phase)
- For prophylaxis of known risk of Vitamin D deficiency

Packing: 3x10 Tablets

COMPLETE BONE HEALTH SUPPORT, NATURALLY

Natiscal XT

Each Film Coated Tablet contains:

Calcium Citrate	250 mg
Vitamin B2	125 IU
Calcium Ascorbate	500 mg
TriBasic Calcium Phosphate	500 mg
Cholecalciferol	400 IU
Zinc Sulphate	25 mg
Magnesium Hydroxide	50 mg

KEY INGREDIENT

Calcium

- Calcium is perhaps best known for its role in maintaining strong and healthy bones. Nearly 99% of the body's calcium is stored in the bones and teeth, where it provides structural support and strength

Vitamin D3

- Vitamin D3 plays a critical role in the absorption of calcium from the intestines. Along with calcium and vitamin D3, magnesium is important for maintaining strong and healthy bones. It helps regulate calcium levels in the body and contributes to bone mineralization

Zinc

- Zinc is involved in the process of bone formation and mineralization. It contributes to the synthesis of collagen, a key protein in the bone matrix

Osteoporosis is a medical condition characterized by weakened bones, which makes them more susceptible to fractures or breaks.

These fractures can occur with minimal force or trauma, such as a minor fall or even routine activities.

The most common types of fractures associated with osteoporosis are hip fractures, vertebral fractures (in the spine), and wrist fractures.

These fractures can have serious consequences, leading to pain, disability, and reduced quality of life, especially in older individuals.

Prevention, early detection, and taking proactive measures are crucial for mitigating the adverse effects of osteoporosis on bone health and overall well-being.

The different forms of calcium offer various advantages and may be chosen based on individual needs and preferences.

Calcium citrate is known for its ease of absorption, calcium ascorbate combines calcium with vitamin C, and calcium phosphate provides both calcium and phosphorus for bone health.

BENEFITS

- Helps in pregnancy & lactation
- Helps osteoporosis & osteopenia
- Helps to prevent fracture risk and post-menopausal osteoporosis
- Helps in chemotherapy induced osteoporosis
- Helps in glucocorticoid induced osteoporosis

Packing: 3x10 Tablets

**STRONGER BONES.
HEALTHIER YOU**

Natiscal D

Each Film Coated Tablet contains:

Calcium Citrate	1100 mg
Vitamin D3	400 IU
Zinc Sulphate	16 mg
Magnesium Oxide	100 mg

KEY INGREDIENT

1000 mg Calcium citrate

- Safe and effective daily dose for Pregnancy and Lactation
- Maintains daily Vitamin D levels
- Micellized Vitamin D for better absorption and bioavailability
- Patient compliance

Vitamin D₃ 400 IU

- Improved prevention and treatment of Post-menopausal Osteoporosis
- Prevention and treatment of Glucocorticoid - Induced Osteoporosis (GIOP)
- Prevention of Osteoporosis in Postmenopausal women with cancer treatment

Natiscal D is a nutritional supplement, which provides vital nutrients majorly for bone health. Natiscal D is a combination of Calcium and Vitamin D along with Magnesium and Zinc that helps maintain bone architecture and health during increased demand of these Minerals and Vitamin.

Natiscal D contains Calcium Citrate and a preferred form of Vitamin D - D₃ in its activated form. The formula has been scientifically developed to provide a highly absorbable form of Calcium and Vitamin D.

Natiscal D is especially beneficial in disorders such as osteopenia and osteoporosis.

BENEFITS

- Helps in pregnancy & lactation
- Helps osteoporosis & osteopenia
- Helps to prevent fracture risk and post-menopausal osteoporosis
- Helps in Chemotherapy induced osteoporosis
- Helps in glucocorticoid induced osteoporosis

Packing: 3x10 Tablets

ESSENTIAL CALCIUM FOR LIFE'S FOUNDATION

Natiscal

200/800

Composition:

Calcium carbonate 250/1000 mg

Vitamin D3 200/800 IU

Natiscal 200/800 is a nutritional supplement containing calcium and vitamin D3 to maintain healthy teeth and bone, nerve transmission, muscle contraction, vascular contraction, vasodilation and blood coagulation.

Natiscal 200/800 contains vitamin D3 as well, which helps in the normal absorption of calcium by the body and also helps in mineralization of bones.

KEY INGREDIENT

Calcium carbonate and Vitamin D3

- Ideal combination as per RDA values that suits for growing children

- Healthy bone & teeth for growing age.
- Calcium plus vitamin D3 reduces the incidence of dental defects
- Increases the bone density and reduces the risk of fracture in childhood
- Combination of Vitamin D3 & Calcium has better response in rickets than calcium or vitamin D3 alone

Vitamin D3

- Water soluble vitamin D3 offers 50% higher absorption in comparison to conventional fat soluble vitamin D3 form

BENEFITS

- Helpful in Calcium and Vitamin D3 deficiency
- Helps in Rickets
- Supports growing children and adolescences to support puberty growth
- Helps in bone fracture in children
- Supports children with limited sunlight exposure

Packing: 30 Sachets

A TRIO FOR TOTAL BODY WELLNESS

Magnifit

Nutritional Information(approximate Values)

Each Film Coated Tablet contains:

Glucosamine Sulphate	250 mg	Sodium Hyaluronic Acid	50 mg
Chondroitin Sulphate	100 mg	Ascorbic Acid - Coated	80 mg
Methyl Sulphonyl Methane	100 mg	Vitamin E 50%	20 mg
Collegen Peptides Type-I	50 mg	Ferrous Fumarate	5 mg
Collegen Peptides Type-II	50 mg	Zinc Sulphate	5 mg
L-Arginine	100 mg	Manganese Sulphate	2 mg
Rosehip Extract	100 mg	Copper Sulphate	500mcg
Boswellia Serrate	100 mg	Selenium Selenite	60 mcg
Curcuming	50 mg		
Piperine	5 mg		

KEY INGREDIENT

Magnesium Citrate and Oxide

- Essential for muscle function and energy metabolism
- Regulates muscle contractions Aids in muscle recovery

Magnesium

- Magnesium is one of seven essential macro minerals. An adequate intake helps to prevent problems with bones, the cardiovascular system, diabetes, and other functions

Magnifit is a potent combination of Zinc, Magnesium, and Vitamin B6 that has been shown to improve muscle strength, size, and recovery when used in conjunction with intense weight training. With Magnesium, Zinc, and Vitamin B6, it helps in improving muscle strength.

BENEFITS

- Enhance Muscle Strength & Endurance
- Sports Recovery
- Improve Testosterone
- Helps to prevent migraine attacks
- Helps to improve sleep quality
- Helps to improve symptoms of premenstrual syndrome
- Helps in management of Magnesium deficiency and all the symptoms associated with it

Nerve Health

Packing: 30 Tablets

BALANCE YOUR MUSCLES,
BALANCE YOUR LIFE

Magvive

Nutritional Information(approximate Values)
Each Film Coated Tablet contains:

Magnesium glycinate 350 mg

Nutritional Information(approximate Values)

Magnesium glycinate 300 mg

KEY INGREDIENT

Magnesium

- Magnesium is one of seven essential macro minerals. An adequate intake helps to prevent problems with bones, the cardiovascular system, diabetes, and other functions

Magvive Magnesium plays a role in over 300 enzymatic reactions within the body, including the metabolism of food, synthesis of fatty acids and proteins, and the transmission of nerve impulses. Magnesium is vital for the proper functioning of hundreds of enzymes.

BENEFITS

- Enhance Muscle Strength & Endurance
- Sports Recovery
- Improve Testosterone
- Helps to prevent migraine attacks
- Helps to improve sleep quality
- Helps to improve symptoms of premenstrual syndrome
- Helps in management of Magnesium deficiency and all the symptoms associated with it

Packing: 30 Sachets

Packing: 3x10 Tablets

A TRIO FOR TOTAL BODY WELLNESS

Magnifit

Nutritional Information(approximate Values) Each Film Coated Tablet contains:

Magnesium (as magnesium citrate)	10mg
Magnesium (as magnesium oxide)	340mg
Zinc (as Zinc Sulphate Monohydrate)	10mg
Vitamin B6 as Pyridoxine hydrochloride	3.5mg

Magnifit is a potent combination of Zinc, Magnesium, and Vitamin B6 that has been shown to improve muscle strength, size, and recovery when used in conjunction with intense weight training. With Magnesium, Zinc, and Vitamin B6, it helps in improving muscle strength.

KEY INGREDIENT

Magnesium Citrate and Oxide

- Essential for muscle function and energy metabolism
- Regulates muscle contractions Aids in muscle recovery

- Magnesium is one of seven essential macro minerals. An adequate intake helps to prevent problems with bones, the cardiovascular system, diabetes, and other functions

BENEFITS

- Enhance Muscle Strength & Endurance
- Sports Recovery
- Improve Testosterone
- Helps to prevent migraine attacks
- Helps to improve sleep quality
- Helps to improve symptoms of premenstrual syndrome
- Helps in management of Magnesium deficiency and all the symptoms associated with it

SUPPORTING YOUR WELLNESS, NATURALLY

CERETRO

Nutritional Information (approximate Values)			
Each Film Coated Tablet contains:			
Omega-3 Fatty Acid Contains:			
DHA	300 mg	Vitamin B1	2 mg
EPA	60 mg	Vitamin A (Retinol)	900 mcg
Vitamins:		Folic acid	500 mcg
Vitamin C (Ascorbic Acid)	80 mg	Vitamin K2 (MK-7)	55 mcg
Vitamin B3 (Nicotinamide)	16 mg	Biotin (D-Biotin)	40 mcg
Vitamin E (D-Alpha-Tocopheryl Acetate)	10 mg	Vitamin D3 (Cholecalciferol)	15 mcg (600 IU)
Vitamin B5 (Calcium D-Pantothenate)	5 mg	Vitamin B12 (Cyanocobalamin)	2.45 mcg
Vitamin B2 (Riboflavin)	2.7 mg	Minerals Iron (As Ferrous Bisglycinate)	27 mg
Vitamin B6 (Pyridoxine HCL)	2.3 mg	Zinc (As Zinc Oxide)	14.5 mg
		Iodine (As Potassium Iodide)	220 mcg

KEY INGREDIENT

Docosahexaenoic acid:

- Supports fetal brain, eye and nerve development
- Decreases the risk of preterm birth and prolongs gestation
- Supports a healthy pregnancy

Vitamin B12:

- Helps improve formation of haemoglobin and supports a healthy pregnancy

Folic acid:

- Helps reduce birth defects of infants brain and spinal cord; promoting a healthy pregnancy

Pyridoxine Hcl:

- Supports a healthy pregnancy and is useful in relieving the severity of nausea in early pregnancy

Pregnancy and breastfeeding are the most nutritionally demanding times of a woman's life. Nutrition plays a major role in maternal and child health and poor nutrition during pregnancy increases the risk and leads to adverse birth outcomes.

Ceretro is a comprehensive formula for promoting essential support during pregnancy. Ceretro helps to nourish daily intake of important nutrients during pregnancy. Ceretro contains Fish-free Algae source Bio DHA Omega 3 with Vitamin B12, Pyridoxine & Folic acid. The DHA in Prenatol is the safest source of DHA as nutrition for use before & during pregnancy & breast feeding.

BENEFITS

- DHA intake during pregnancy and/or lactation may prevent high risk pregnancies; maintains healthy birth weight, head circumference and birth length.
- Prevents brain and central nervous system malfunctions and even enhances brain development and function in the offspring

Packing: 30 Tablets

MENTAL HEALTH

FUEL YOUR BRAIN,
EMPOWER YOUR MIND

MEMORIES

Nutritional Information (approximate Values)
Each Film Coated Tablet contains:

DHA	100 mg
Ginkgo Biloba	40 mg

KEY INGREDIENT

Docosahexaenoic acid

- DHA helps in improving learning and memory function in age-related cognitive decline patients and support cognitive health with aging.

Ginkgo Biloba

- Helps in improving the scores of the logical memory test and nonsense picture recognition
- Shows good efficacy in promoting episodic memory function in mild cognitive impairment patients

Novel nutrition for memory improvement. Memoris contains fish-free source of algal DHA and Ginkgo Biloba.

Memories combines the benefits of DHA with Ginkgo Biloba, which helps in memory improvement of Alzheimer's patients

BENEFITS

- DHA plays an important role in supporting brain function and improving memory.
- Ginkgo Biloba along with DHA increases micro-circulation and enhances radical scavenging activity in elderly patients

Packing: 3x10 Tablets

NATURAL ENERGY. PURE FOCUS

GINIBULL

Ginseng, Guarana,
Vitamin B6,
Vitamin B12, Taurine

GINIBULL is a nutritional supplement that combines Ginseng, Guarana, and B vitamins. The most important ingredients that make this supplement salient compared to other supplements are ginseng and Guarana.

GINIBULL supplement is used to relieve fatigue and stress. When a person is tense, the cortisol levels go up, which increases stress and blood pressure, and causes heart problems.

Energy drinks give calories to the body, but GINIBULL supplement can re-activate the energy cycle of the body and thereby relieve tiredness without adding extra calories.

KEY INGREDIENT

Premium Ginseng Extract (Ginsenosides)

- Enhances mental clarity & stress resilience

Natural Guarana (Caffeine)

- Provides sustained energy without jitters

Vitamin B6 + B12

- Supports neurotransmitter synthesis & cognitive function

Taurine

- Improves focus and physical endurance

BENEFITS

• COGNITIVE PERFORMANCE

Boosts memory and concentration
Enhances mental processing speed
Supports stress adaptation

• PHYSICAL ENERGY

Increases endurance and stamina
Delays exercise-induced fatigue
Promotes faster recovery

VIGOUR, VITALITY & IMMUNITY

Packing: 3x10 Tablets

**NURTURE YOUR LIVER,
ELEVATE YOUR HEALTH**

HEPATIVE

Milk Thistle Extract, Vitamin B complex

KEY INGREDIENT

- Contains Silymarin as Milk Thistle Fruit Powder Extract, along with essential B vitamins
- Hepatocare is an antioxidant and have hepatoprotective action
- Hepative helps restore the functional efficiency of the liver by protecting the liver against free-radical damage by virtue of its powerful antioxidant and anti-inflammatory actions, by promoting the regeneration of damaged liver cells and by ensuring early restoration of liver function.
- The antioxidant potential of silymarin and B-vitamins helps lower low-density lipoprotein (LDL) levels associated with high-fat diets, reduce inflammation and counter infections.

BENEFITS

- Inflammatory and degenerative conditions of the liver like hepatitis, viral hepatitis, cirrhosis, jaundice and fatty degeneration of the liver

The liver is one of the most important organs in human body. The liver performs over 500 biochemical functions, from processing nutrients to clearance the toxics from the body.

Hepative tablet contains dry extract from milk thistle seeds (*Silybum marianum*). Milk thistle is well-known medicinal plant for its beneficial properties, due to the complex of bioflavonoids, known as silymarin. Silymarin supports the health of liver; contributes to the physiological detoxifying process of the liver; increases the ability of liver cells to resist against to the toxins action; helps to regenerate the liver cells.

Packing: 3x10 Tablets

A POWERFUL BLEND FOR YOUR WELLNESS JOURNEY

Hopefertil

CoQ10, Lycopene, L-carnitine, L-arginine,
Glutathione.

KEY INGREDIENT

CoQ10

- Enhances egg & sperm mitochondrial energy

Lycopene

- Protects reproductive cells from oxidative damage

L-Carnitine

- Supports sperm motility & energy metabolism

L-Arginine

- Improves blood flow to reproductive organs

Glutathione

- Master antioxidant for cellular detoxification

BENEFITS

● For Women:

- Improves ovarian reserve quality
- Supports endometrial receptivity
- Reduces oxidative stress in follicles

● For Men:

- Enhances sperm count & motility
- Protects sperm DNA integrity
- Supports healthy testosterone levels

Male infertility refers to a man's inability to impregnate a fertile female partner.

It can result from issues like low sperm count, poor sperm motility, abnormal sperm shape, hormonal imbalances, genetic factors, infections, and more.

Lifestyle factors such as smoking, alcohol, and obesity, as well as medical conditions and age, can also contribute.

L-carnitine, an amino acid compound involved in cellular energy production, is linked to potential benefits for male infertility.

Studies suggest L-carnitine supplementation could enhance sperm quality, including motility, count, and morphology.

Its antioxidant properties may mitigate oxidative stress that harms sperm DNA.

Packing: 3x10 Tablets

Fatigue Reduction & Energy Restoration

Stay beautiful

Nutritional Information(approximate Values) Each Film Coated Tablet contains:

Vitamin C	80 mg	Vitamin B6	3 mg
Elemental Magnesium	75 mg	Elemental Copper	1.5 mg
Calcium Pantothenate	60 mg	Elemental Manganese	3 mcg
Grape Seed Extract	50 mg	Folic Acid	400 mcg
Nicotinamide	45 mg	Elemental Selenium	100 mcg
Vitamin E	40 mg	Elemental Iodine	75 mcg
Elemental Zinc	20 mg	Elemental Chromium	50 mcg
Elemental Iron	15 mg	Vitamin D3	25 mcg(1000 IU)
L-Cysteine	10 mg	Vitamin B12	10 mcg
Biotin	10 mg	Methionine	10 mg
Vitamin B1	8 mg	Sesbania Extract	75 mg
Lycopene	6 mg	Beta-Sitosterol	100 mg
Vitamin B2	5 mg	Nettle Leaf Extract	50 mg

"Beauty from within" is always revealed in the form of a youthful and vibrant skin independent of the age. In fact, skin is the largest organ in the body, and the outer manifestation of how well one is nourished from within. Therefore, Biona has been formulated to deliver "beauty from within" and is designed to accomplish daily skin and hair care routine with a range of functional nutrition. Bellish is a unique combination of proprietary amino acid complex supported with essential multivitamins and minerals, which helps nourish and protect from inside and provides essential support to building blocks for skin, hair and nails.

KEY INGREDIENT

Amino acid complex

- Bellish contains sulphur containing essential amino acids required for the biosynthesis of keratin, the essential building block of hair and nails.

Iron

- Plays a key role in both oxidative stress and photo induced skin damage

Vitamin E

- Scavenges free radicals and helps protect against the aging of skin tissues, which causes wrinkles

Vitamin C

- A natural antioxidant and a key factor in the formation of collagen, which provides strength and elasticity for skin

Vitamin B complex

- Involved in blood formation and helps in improving blood circulation and thereby increase transport of nutrition

Vitamin D3

- Plays a role in skin cell metabolism

Zinc

- Acts as anti-inflammatory and decreases skin sebum secretion in acne

BENEFITS

- Help to attain rich hair, glowing skin and healthy nails. Bellish helps enhance skin cell turnover, collagen synthesis, and reduce fine lines and wrinkles.
- Bellish helps prevent dry hair, protect against premature skin aging from the damaging effects of ultraviolet light and environmental pollutants.

Packing: 3x10 Tablets

Beauty

BIONA MEN ARE A PERFECTLY BALANCED COMBINATION OF VITAMINS,...

BELLISH

Stay beautiful

Nutritional Information(approximate Values)			
Each Film Coated Tablet contains:			
Siberian Ginseng Extract	20 mg	Vitamin B6	9 mg
Co-Q10	2 mg	Folic Acid	400 mcg
L-Carnitine	30 mg	Vitamin B12	9 mcg
Citrus Bioflavonoids	10 mg	Biotin	50 mcg
L-Arginine	20 mg	Pantothenic Acid	10 mg
L-Methionine	20 mg	Magnesium	60 mg
Silicon	10 mg	Iron	6 mg
Beta-carotene	2 mg	Zinc	15 mg
Vitamin A (2500IU)	750 mcg	Copper	1000 mcg
Vitamin D (as D3 400 IU)	10 mcg	Manganese	3 mcg
Vitamin E 20 mg	20 mg	Selenium	150 mcg
Vitamin C	60 mg	Chromium	50 mcg
Thiamine (Vitamin B1)	12 mg	Iodine	150 mcg
Riboflavin (Vitamin B2)	5 mg	Pumpkin Extract	100 mg
Niacin (Vitamin B3)	20 mg		

Bellish men are a perfectly balanced combination of vitamins, minerals and bioactive nutrients. Each tablet provides micronutrients including n-acetyl cysteine, biotin, selenium and zinc, which are tailor made to help assist maintenance of normal hair, nails and skin for healthy men

KEY INGREDIENT

- Bellish Men, a formula for rich hair, healthy nails, and glowing skin which contains Vitamin B complex (Biotin and Pantothenic acid), N-Acetyl cysteine and Zinc.

Biotin

- Keep the skin healthy and attractive in appearance
Delays premature aging signs on the skin like wrinkles and age spots

- Plays an important role in the hair pigmentation
- Helps in the formation of collagen, which are responsible for healthy hair, skin and nails
- Helps promote metabolism and nourishment of the hair follicle

N-Acetyl cysteine

- Skin-picking symptoms
- Ultraviolet rays radiation effect

Zinc

- Used as photo protecting agen

BENEFITS

SKIN RADIANCE

- Boosts collagen production
- Reduces oxidative damage
- Enhances skin hydration

HAIR & NAIL STRENGTH

- Fortifies keratin structure
- Supports faster hair growth
- Reduces brittleness

Packing: 3x10 Tablets

Natural Fat Burner

Garcimore

Nutritional Information(approximate Values)
Each Film Coated Tablet contains:

Garcinia Cambogia	600 mg
Green Tea	200 mg
Green Coffee Bean	200 mg
Grape Seed	100 mg
Piperine	30 mg
Black Paper	20 mg
Fenugreek	20 mg
Ajwain	5 mg

Garcinia Cambogia and Green Tea Extract are two natural supplements that are often marketed for weight loss. Garcimore comes with natural and pure Garcinia Cambogia extract enriched with HCA (Hydroxycitric Acid) and Green Tea Extract, on the other hand, contains catechins, which are natural antioxidants.

Garcinia Cambogia with green tea is commonly promoted for weight loss. By inhibiting citrate lyase, Garcimore regulates the feeling of satiety, helps metabolism and is very useful for having enough energy.

KEY INGREDIENT

Garcinia Cambogia

- The extracts of Garcinia Cambogia are a rich source of HCA & antioxidants that help in effective weight management
- HCA blocks fat production and reduces belly fat

- Enhances metabolism and suppresses appetite
- Lower cholesterol & blood sugar level
- It may eliminate fatigue and boost energy levels

Green tea extract

- Rich in antioxidants
- A green tea extract is a known powerhouse against both free radicals and ageing
- Natural fat burner
- Helps manage weight & strengthening body
- Helps to maintain healthy & youthful skin
- Maintains healthy cholesterol levels
- Offers anti-inflammatory effect
- Improves brain health
- Promotes healthy cardiovascular system

BENEFITS

- Helps promote weight loss and manage obesity
- Appetite suppression
- Management of hyperlipidemia
- Prevention and treatment of cardiovascular diseases
- Maintaining a healthy immunity

Packing: 3x10 Tablets

A HEALTHY OUT SIDE STARTS FROM THE INSIDE

Oxifit

Nutritional Information(approximate Values)

Each Film Coated Tablet contains:

Alpha Lipoic Acid	100 mg
Thiamine Mononitrite	1 mg
Pyridoxine HCL	2 mg
Folic Acid	300 mcg
Vitamin B1	22.2 mcg
Vitamin D3	600 iu

OXIFIT is a dietary supplement with B1, B6, B12, and alpha-lipoic acid to support nerve health and help relieve neuropathy symptoms.

KEY INGREDIENT

Alpha Lipoic Acid

- Universal antioxidant & glucose metabolism support

Thiamine (B1)

- Essential for nerve function

Pyridoxine (B6)

- Supports neurotransmitter synthesis

Folic Acid

- Crucial for homocysteine metabolism

Vitamin B12

- Maintains myelin sheath integrity

Vitamin D3

- Supports neuromuscular function

BENEFITS

HEALTHY WEIGHT MANAGEMENT

- Helps control cravings(Garcinia)
- Supports fat oxidation(Green Tea)
- Maintains healthy blood sugar levels(Green Coffee)

DIGESTIVE WELLNESS

- Improves nutrient assimilation(Piperine)
- Reduces bloating(Ajwain)
- Supports gut health(Fenugreek)

ANTIOXIDANT PROTECTION

- Combats oxidative stress(Grape Seed)
- Enhances detoxification

Packing: 3x10 Tablets

FIND THE JOY IN JOURNEY

OXIFIT 30+

Docosahexaenoic acid
Phytosterol
Vitamin B12
Folic Acid
Vitamin C
Vitamin D
Chromium polynicotinate

Novel nutrition for immunity, healthy heart, vision and memory.oxifit 30+ combines the benefits of BioDHA with plant sterols, Vitamins and Minerals for quality healthcare of elderly people.

KEY INGREDIENT

Docosahexaenoic acid

- Helps in maintaining the normal brain function and vision
- Helps to reduce cognitive impairment in aging
- Helps in reducing all-cause mortality in elderly men at high CV risk

Phytosterol

- Helps in maintaining normal blood cholesterol levels

Vitamin B12

- Contributes to normal neurological and psychological functions and improves cognitive function

Folic Acid

- Improves cognitive function

Vitamin C

- Contributes to normal psychological functions and improves immunity

Vitamin D

- Preserves muscle strength and functional ability in high-risk groups

Chromium polynicotinate

- Maintains blood sugar levels and decreases the risk of heart disease by decreasing the cholesterol

BENEFITS

- Enhance immunity, healthy heart, vision & memory in elderly

Packing: 3x10 Tablets

Powerful Blend for Heart, Immunity, and Vitality.

QSHIED

Nutritional Information (approximate Values)
Each Film Coated Tablet contains:

DHA 10 %	90 mg
EPA	60 mg
L-Arginine	100 mg
Coenzyme Q 10	100 mg
Wheat Germ Oil	25 mg
Piperine / Kala Mari	5 mg
Selenium Dioxide	0.065 mg
Lycopene 06%	5 mg

QSHIED is a nutritional supplement that combines the benefits of Omega-3 fatty acids, Lycopene, and Coenzyme Q10 to support heart health and circulation.

KEY INGREDIENT

DHA + EPA

- Premium omega-3 for cognitive & cardiovascular health

L-Arginine

- Supports nitric oxide production & circulation

CoQ10

- Enhances cellular energy & antioxidant protection

Wheat Germ Oil

- Rich in vitamin E & octacosanol

Piperine (Kala Mari)

- Boosts nutrient absorption by 30%*

Selenium

- Essential antioxidant enzyme cofactor

Lycopene (6%)

- Potent free radical scavenger

BENEFITS

• Cardiovascular Optimization

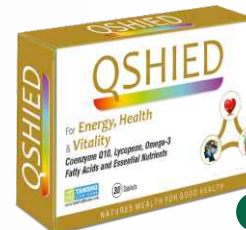

Maintains healthy BP & circulation (L-Arginine + Omega-3)
Supports endothelial function (CoQ10 + DHA)

• Neuroprotection

Enhances brain cell membrane integrity (DHA)
Reduces oxidative stress in neural tissue (Lycopene + Selenium)

• Metabolic Efficiency

Boosts mitochondrial energy production (CoQ10)
Enhances nutrient utilization (Piperine)

Packing: 3x10 Tablets

Restore Strength, Flexibility, and Radiance from Within

TENDOREST

Nutritional Information(approximate Values)
Each Film Coated Tablet contains:

Collagen peptides	10 mg
Chondroitin sulfate	50 mg
Sodium Hyaluronate	3.3 mg
Vitamin C	40 mg

Advanced Formula for Healthy Joints & Connective Tissue

With TENDOREST 40% reduction in joint pain with chondroitin, 2x faster collagen synthesis with vitamin C & Improved joint hydration with hyaluronate.

KEY INGREDIENT

Collagen Peptides

- Supports cartilage repair & skin elasticity

Chondroitin Sulfate

- Reduces joint pain & improves mobility

Sodium Hyaluronate

- Enhances joint lubrication & hydration

Vitamin C

- Boosts collagen synthesis & antioxidant protection

BENEFITS

● Cartilage Protection & Repair

Stimulates collagen production
Helps maintain joint structure

● Improved Mobility & Comfort

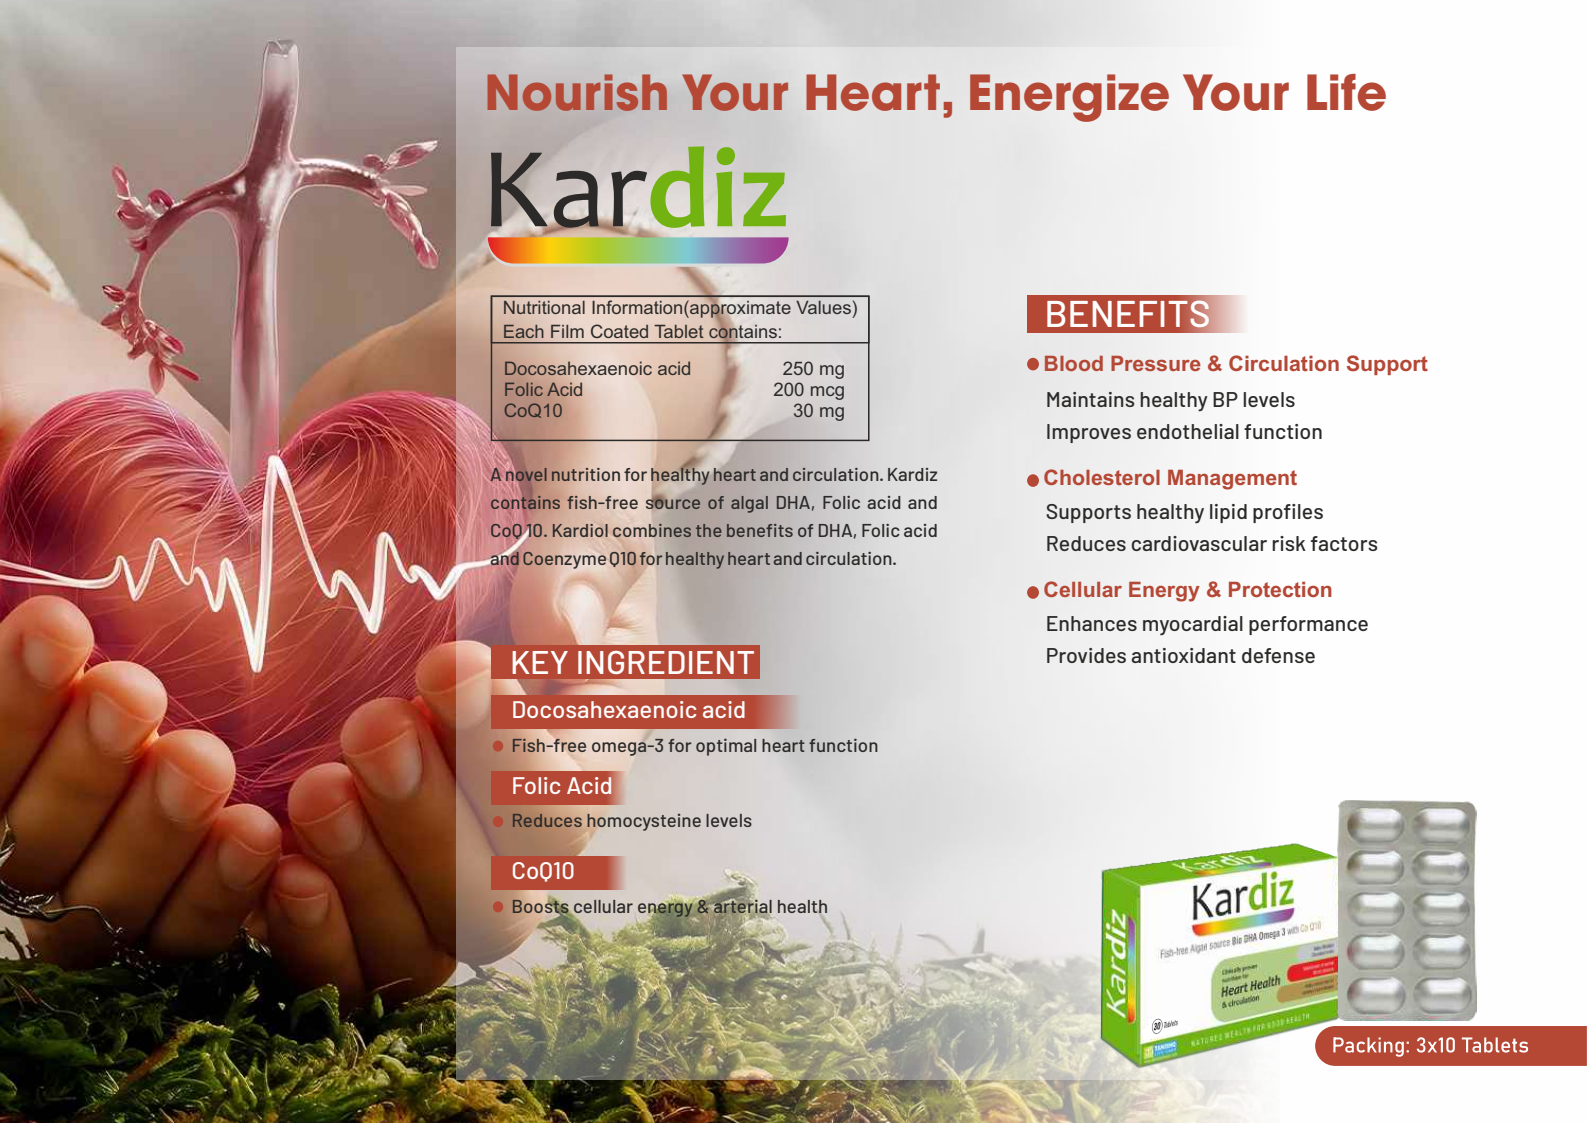

Enhances synovial fluid viscosity
Reduces stiffness and discomfort

● Connective Tissue Health

Supports skin, tendons & ligaments
Provides antioxidant defense

Packing: 3x10 Tablets

Nourish Your Heart, Energize Your Life

Kardiz

Nutritional Information(approximate Values)
Each Film Coated Tablet contains:

Docosahexaenoic acid	250 mg
Folic Acid	200 mcg
CoQ10	30 mg

A novel nutrition for healthy heart and circulation. Kardiz contains fish-free source of algal DHA, Folic acid and CoQ10. Kardiz combines the benefits of DHA, Folic acid and Coenzyme Q10 for healthy heart and circulation.

KEY INGREDIENT

Docosahexaenoic acid

- Fish-free omega-3 for optimal heart function

Folic Acid

- Reduces homocysteine levels

CoQ10

- Boosts cellular energy & arterial health

BENEFITS

• Blood Pressure & Circulation Support

Maintains healthy BP levels
Improves endothelial function

• Cholesterol Management

Supports healthy lipid profiles
Reduces cardiovascular risk factors

• Cellular Energy & Protection

Enhances myocardial performance
Provides antioxidant defense

Packing: 3x10 Tablets

Support Clear Vision and Eye Health, Naturally.

optivive

DHA Omega 3 with Lutein,
Vitamins & Minerals

Algae-Sourced DHA Omega-3 (Fish-free): Supports brain function & visual development

Lutein + Beta-Carotene: Protects against blue light damage & maintains normal vision

Zinc + Copper Synergy: Prevents macular degeneration while balancing mineral levels

KEY INGREDIENT

Docosahexaenoic acid

- Enhances brain development and function
- Helps improve visual development

Lutein

- Helps preserve visual function and maintain normal vision

Beta-carotene

- Helps maintain normal vision

Zinc

- Helps improve vision and prevents macular degeneration

Copper

- Helps prevent deficiency of copper caused due to excessive zinc intake

BENEFITS

- Enhances visual acuity & contrast sensitivity
- Supports retinal vascular integrity
- Protects against digital eye strain
- Promotes healthy macular pigment density
- Provides neuroprotective benefits for brain-eye connection

Packing: 3x10 Tablets

SILYTA-70

Silymarin	70 mg
Vitamin B1	70 mg
Vitamin B2	5 mg
Vitamin B6	1.5 mg
Vitamin B3	25 mg
Vitamin B5	7.5 mg
Vitamin B12	5 mcg

Silyta-70 contains a powerful blend of Silymarin and essential B vitamins, designed to support liver function, energy metabolism, nerve health, and overall well-being. Silymarin helps detoxify the liver, while B vitamins enhance energy production, brain function, and immune support. Ideal for maintaining vitality and overall health.

BENEFITS

- Silymarin – Supports liver health and detoxification.
- Vitamin B2 – Aids metabolism and skin health.
- Vitamin B6 – Supports brain health and mood regulation.
- Vitamin B3 – Promotes heart health and improves cholesterol levels.

- Vitamin B5 – Enhances energy production and reduces stress.
- Vitamin B12 – Essential for red blood cell formation and nerve function.

Packing: 3x10 Tablets

PLATFIT

Carica papaya leaf extract 1100 mg

A natural supplement made from Carica papaya leaf extract, known for its potential health benefits. Each tablet contains 1100 mg of pure papaya leaf extract, supporting overall wellness and immunity.

KEY INGREDIENT

Carica Papaya Leaf Extract

- Helps boost platelet count (commonly used for dengue fever recovery).
- Supports immune system health.
- Aids in digestive health and detoxification.
- May help regulate blood sugar levels.
- Provides antioxidant support to fight free radicals.

BENEFITS

- Increases Platelet Count – Beneficial for recovery from illnesses like dengue fever.
- Boosts Immunity – Rich in antioxidants and immune-enhancing compounds.
- Supports Digestion – Aids in digestion by promoting enzyme production.
- Regulates Blood Sugar – May help maintain healthy blood sugar levels.
- Detoxifies the Liver – Supports liver function and detoxification.

Packing: 3x10 Tablets

Neuroscience-Backed Cognitive Support with Advanced Dual-Action Formula:

BRAINFIT PLUS

cerebroprotein Hydrolysate 90mg
with Methylcobalamine 1500 mcg

Cerebroprotein Hydrolysate A bioactive protein complex with clinically demonstrated neuroprotective and neuroregenerative properties that supports repair of damaged neural pathways. Methylcobalamine the most bioavailable form of vitamin B12 that actively Supports myelin sheath formation & Enhances nerve cell communication.

KEY INGREDIENT

Cerebroprotein Hydrolysate

- Promotes nerve cell repair & brain function

Methylcobalamine

- Supports myelin production & nerve regeneration

BENEFITS

- Enhances cognitive function & mental clarity
- Accelerates nerve cell recovery & repair
- Reduces neuropathic symptoms (tingling/numbness)
- Supports healthy neurotransmitter activity

Packing: 3x10 Tablets

Support Your Joints, Boost Your Vitality.

HYOJECT

PLUS

Glucosamine Chondroitin Vit. D3,B12
& Ginger Extract

Glucosamine & Chondroitin for joint cartilage support
Vitamins C, E, B12 & D for immune and bone health
Ginger Extract for natural anti-inflammatory benefits. Ideal For
active adults seeking joint support those looking to maintain
an active lifestyle. Anyone wanting comprehensive
nutritional support for joints and overall wellness.

KEY INGREDIENT

Glucosamine

- Repair cartilage, reduce joint pain & improves mobility

Chondroitin

- Works with glucosamine to maintain healthy
cartilage and reduce joint pain.

Vitamin D3

- Strengthens bones & prevents osteoporosis

Vitamin B12

- Boosts energy & nerve function

Ginger Extract

- Fights inflammation & supports digestion

BENEFITS

- Triple-Action Formula: Joint care + Bone strength + Energy boost
- Clinically Effective: Optimal doses of proven ingredients
- Fast Results: Reduces stiffness & improves mobility

Also Available
HYOJECT FORTE

Packing: 3x10 Tablets

HYOJECT FORTE

Chondroitin, Glucosamine, Vitamins C, E, B12, D Minerals & Ginger Ext.

A potent blend of glucosamine, chondroitin, vitamins C/E/B12/D, minerals, and ginger extract. Scientifically formulated to support joint health and mobility, reduce inflammation and discomfort, Boost immunity and energy & enhance overall vitality. Ideal for active adults seeking comprehensive joint care and wellness support.

KEY INGREDIENT

Chondroitin

- Maintain cartilage structure, reducing joint pain and stiffness.

Glucosamine

- Supports cartilage repair and promotes joint lubrication, improving flexibility and mobility.

Vitamin C

- Boosts immunity & collagen production

Vitamin E

- Powerful antioxidant for cell protection

Vitamin B12

- Enhances energy & nerve function

Vitamin D

- Strengthens bones & aids calcium absorption

Minerals

- Supports muscle & bone health

Ginger Extract

- Fights inflammation & aids digestion

BENEFITS

- Joint Relief – Reduces stiffness & discomfort
- Bone Strength – Prevents osteoporosis risk
- Whole-Body Vitality – Immunity + Energy + Anti-aging

Packing: 3x10 Tablets

YOUR SORE THOAT **ANTIDOTE**

RVL-Cu

Resveratrol & Copper Tablets

Nutritional Information (approximate Values) Each Film Coated Tablet contains:	
Resveratrol	500mg
Copper	0.56mcg

RVL-Cu is a dietary supplement designed to:

- Support cellular health and maintain overall well-being.
- Reduce treatment-related toxicity and side effects in oncology patients.
- Provide antioxidant support with Resveratrol to combat oxidative stress.
- Help in immune function and cellular repair.
- Aid oncology patients in managing the effects of chemotherapy and radiation.
- Support DNA repair and reduce oxidative damage in cancer cells.
- Improve overall resilience during cancer treatments by enhancing cell defense mechanisms.

BENEFITS

- Helps reduce treatment-related toxicity & side effects
- Supports cellular health & immunity
- Aids in preventing abnormal cell growth
- Acts as a potent antioxidant to combat oxidative stress
- Supports the body's natural defense mechanisms
- Beneficial for oncology patients to support recovery and minimize oxidative damage
- Enhances chemotherapy and radiation tolerance
- Promotes healthy cell regeneration

Packing: 60 Tablets

Support Your Brain, Heart, and Vision with Every Drop

OXIFIT-IQ™

DHA 100mg. per ml. Drops

- Docosahexaenoic Acid (DHA) is an essential omega-3 fatty acid that supports brain health, cognitive function, and neurological development.
- Clinically studied for its role in improving memory, focus, and overall mental performance.
- Contributes to the maintenance of normal brain function and may reduce the risk of neurodegenerative diseases.
- Long-chain omega-3 fatty acids, including DHA, have been shown to support mental well-being and emotional balance.

Use In:

- Brain development & focus
- Healthy blood pressure & heart
- Glowing skin + sharp vision + immunity

Available in 30ml. with Dropper

Composition:
Folic Acid 125 mcg
Vitamin B12 10 mcg
Vitamin B9 10 mcg
Vitamin B12 10 mcg
